

Register of Interests Governing Board of Peak School – 2017/18

The Governing Board of Peak School is required to have a register which lists, for each member of the governing body and the Headteacher, any business interests they or any member of their immediate family may have. The register should set out the relevant business interests of governors and details of any other educational establishments they govern. The register should also set out any relationships between governors and members of the school staff including spouses, partners and relatives. Entries are reviewed annually.
