

Proposed Multi-Academy Trust (MAT)

Trustees (voluntary) (Required if a MAT is formed)

The proposed MAT's aims & objectives and strategic direction would be based on those already in place for the special schools' federation.

We are looking for people to work with us who will share our commitment to excellence, innovation and collaboration, who can attend daytime and/or evening meetings, with any of the following skillset/experience:

- Accountancy and/or Finance
- Experience of serving on a Board of Directors
- Legal skills and/or qualifications
- Social Services
- Business experience

In return you would know that you would be making a difference to the life chances of children and young people as part of a group of schools which sit at the heart of their communities.

The role of Trustee would be challenging but also rewarding. In giving something back to the community, Trustees would develop a range of both new and existing skills, receiving free training and opportunities for professional development.

As a Trustee you would not be expected to have a working knowledge of the education sector. What is more important to the role is your specific working skillset.

For more information about the role, the MAT schools' aims & objectives and application details, please visit our school's website, www.peak.derbyshire.sch.uk. Applications should be sent for the attention of the **Headteacher, Peak School, Buxton Road, Chinley, High Peak SK23 6ES**.

The proposed MAT will be committed to safeguarding and promoting the welfare of children and young people and would expect all staff and volunteers to share this commitment. This position would require an enhanced DBS check.

Closing date: 12:00 noon, Wednesday 13th December 2017
